E-governance

As decided in the meeting of Governing Council and, it was decided to take up e-governance in almost all the areas of operations in the institute. The institute will implement the policy of e-governance as a need of hour in Administration, Finance and accounts, student admission very soon.

The non-teaching staff and concerned staffs will be given training in future in order to use the e-governance system completely. Efforts will be taken and policies will be decided to make the office administration and works related to students, their examination and support smoother. Human resources will be trained as per the need of the up-gradation and advancement in the technology.
