"State Level online Quiz contest - National Vaccination Day"
(March 16, 2022)

In India, March 16 is celebrated every year as National Immunization Day. Everyone in the world knows the importance of vaccines. Everyone understands the importance of vaccines, especially during the COVID -19 pandemic situations. Vaccines are the most effective way to prevent life-threatening and dangerous diseases. A vaccination campaign was launched in India to prevent the spread of the corona virus. The corona virus has killed more than 2.6 million people worldwide. This year, National Immunization Day will be celebrated in India at just the right time. Covid-19 vaccination campaign is currently underway in India along with many other countries in the world. On this occasion, let us learn the significance of the history behind National Vaccination Day. In India, March 16 is celebrated every year as National Immunization Day. National Immunization Day was first observed on March 16, 1995. On this day in 1995, the first dose of "Polio vaccine" was given in India. The government had launched the Polio Eradication Campaign in India through the Pulse Polio Campaign.

Our college organized a state level online quiz contest aimed at raising awareness about Vaccination Day. There were 20 questions in the competition each of 2 marks. With a score of at least 40%, has received a competition (digital) certificate on their registered email. Students, teachers and others were participated in it.

About 120 participants attempted the quiz through different whatsapp groups. Participation details is: M. G. Tele Commerce, C. & B. R. Tele Science and K. Tele Management College, Thalner (31), M. D.
